

## FARM OIL 15W40

A special Super Tractor Oil Universal (STOU) specifically formulated to service tractors with just one lubricant where formerly up to four or more oils where required.

It is recommended for diesel 4-stroke engines normally aspirated and turbocharged as well as gasoline engines, transmissions, differentials, final drives, hydraulic systems, wet brakes and power take-off clutches.

✓ Hydraulic performance and gear performance satisfies the requirements of off-highway construction, transport, mining, industrial and marine equipment.

✓ Suitable for manual gearboxes of cars, vans and light commercial vehicles where an API GL4 80W85 gear oil specification is required.

### ADVANTAGES

- Rationalization of grades and packages. Can replace 4 or more tractor lubricants.
- Good protection for gearboxes due to minimal foaming and stable lubricating film.
- For use in normally aspirated and turbo-charged diesel engines and petrol engines using leaded or unleaded fuel.
- May be used for four stroke petrol engines in agricultural equipment.
- Effective lubrication when high load service conditions are experienced in transmissions, axles, engines and hydraulic systems.
- The balanced friction control ensures proper functioning of wet brake and PTO clutches and suppresses chatter without diminishing braking capacity.

FARM OIL 15W/40 is not recommended for hypoid differentials where an API GL-5 is recommended.

### TYPICAL CHARACTERISTICS

Properties	Unit	Value
SAE Grade		15W/40
Viscosity @ 40°C	cSt	104
Viscosity @ 100°C	cSt	14.5
Viscosity Index		140
Density @ 15°C	g/ml	0.88
Flash Point °C		220
Pour Point °C		-24
Sulphated Ash content	%	1.4
Total Base Number	mg KOH/g	10.9

### Pack Sizes

**1000 litre**  
**200 litre**  
**20 litre**

## FARM OIL 15W40

Meets or recommended for the following requirements:

- STOU
- SAE 15W/40
- API CF-4/CG-4/SF
- API GL-4
- ACEA E2, E3
- ALISON C-4
- CATERPILLAR TO-2 (obsolete)
- FORD M2C 159B, C
- FORD M2C 86B, C
- JOHN DEERE J20, J27
- MAN 271
- Massey Ferguson M1139, M1144, M1145, M1135
- MB 227.1
- MIL L-2104D
- Ford New Holland 82009201, 2, 3
- Saucer Sunstand/Danfoss
- Sperry Vickers/ Eaton 1-280-S
- ZF TE-ML 06A, 06B, 06C, 07B
